# J-PLUG SECURES ANY DEVICE WITH AN AUDIO JACK
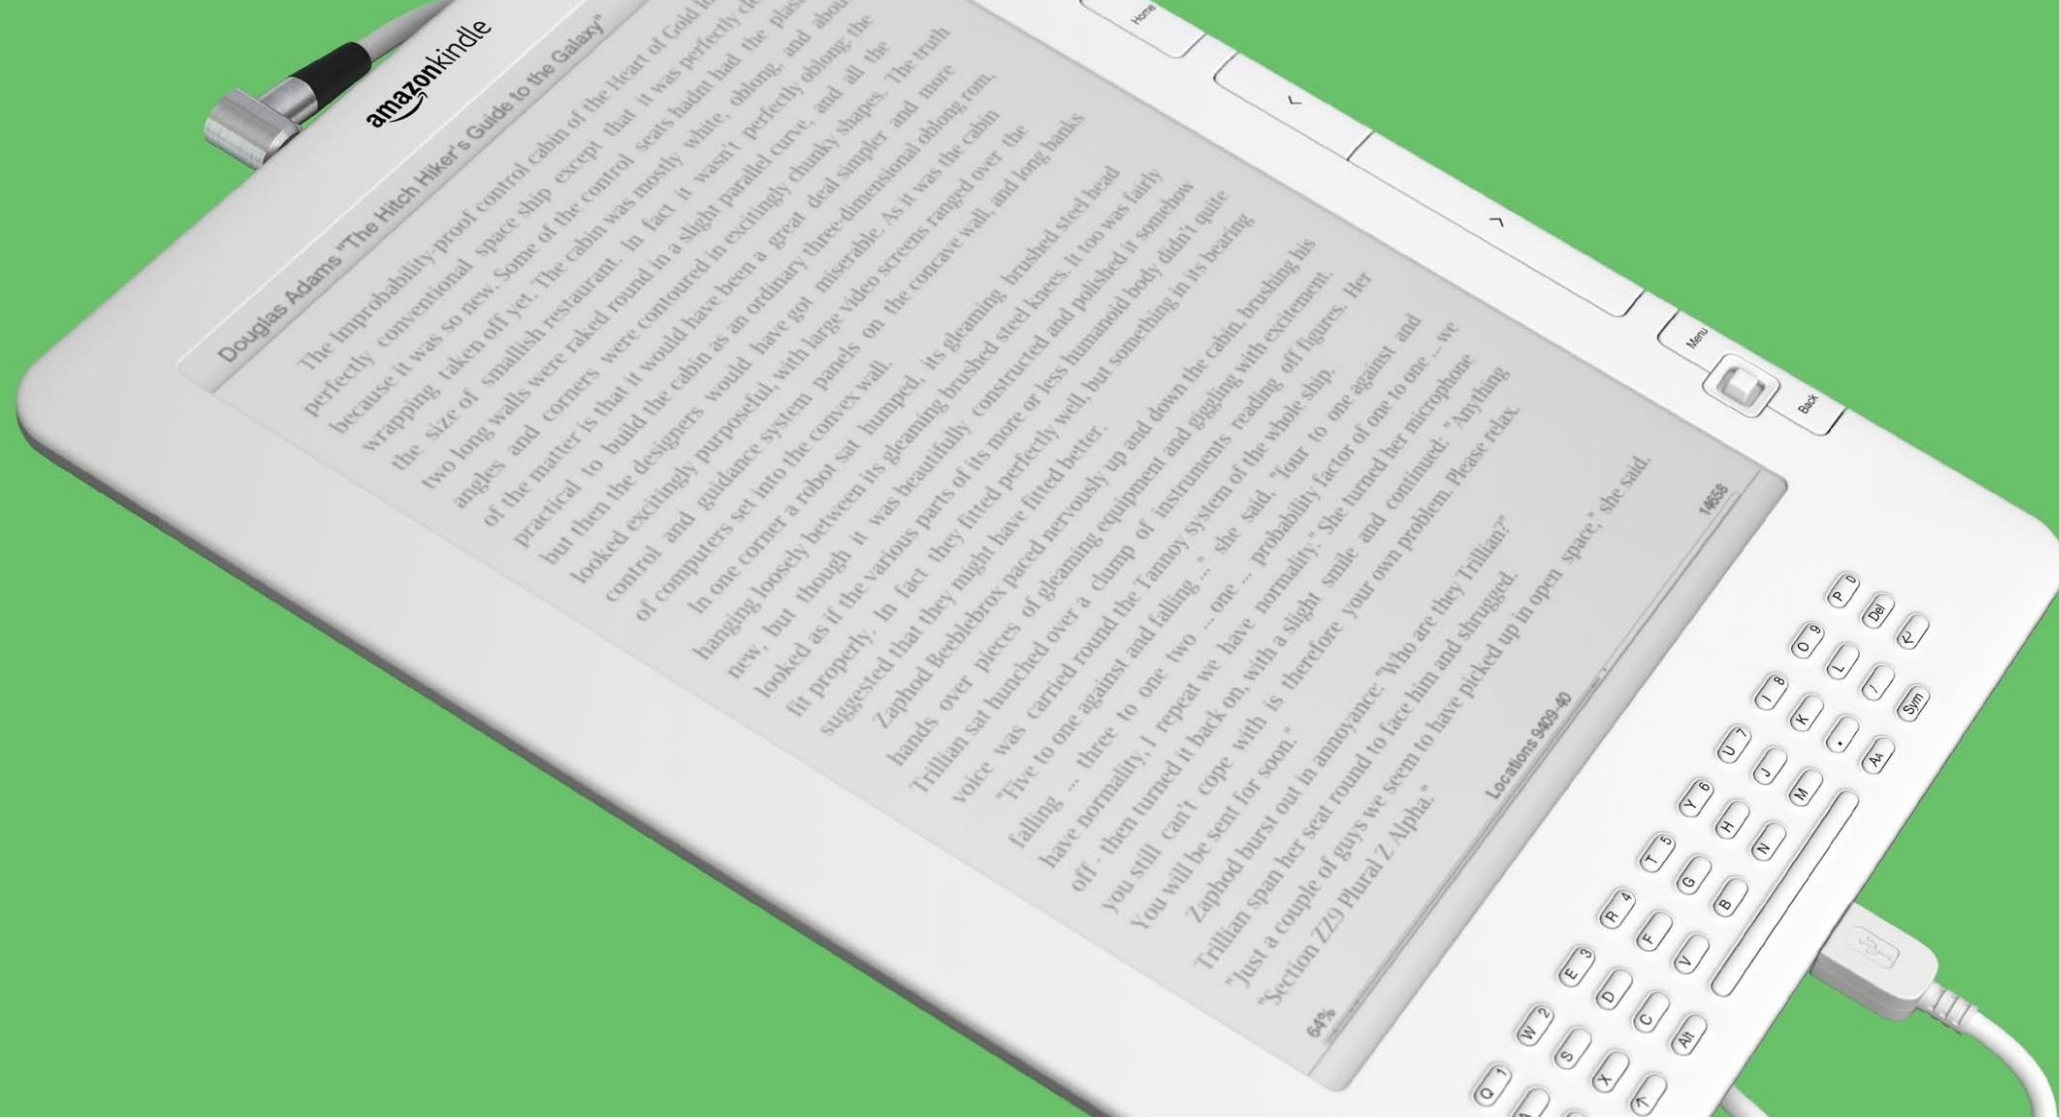

**J-PLUG ALARM**

A small and simple high-security solution designed to protect your displays without reducing the customer's product experience.

- Quick and easy to install

- All-in-one alarm unit for mechanical and alarmed security

- The smallest alarm solution available

The J-Plug Alarm has a built-in magnetic pad that's designed to work on its own or with the current stand range.

The J-Plug Alarm system is staff friendly. Easy to install, easy to manage. No smoke and mirrors, just a clean, simple system.
